

## We can help you **lock in a plan** that works best for you and your family

### Price Protection Program options\*

Option	Description	Does it meet your needs?
Cap Price	<ul style="list-style-type: none"><li>Your heating fuel price is capped fixed until April, 30, 2023, or until your gallons are used up, whichever comes first. (2K gallons)</li><li><b>If the market price goes down, you will pay that lower price.</b></li><li><b>There is a fee for the Cap Price Protection plan.</b></li></ul>	Cap Price Protection plans are good for people who are willing to pay a fee to guarantee their price will not go higher than the Cap Price, and also get the benefit of paying a lower price should prices go down.
Fixed Price	<ul style="list-style-type: none"><li>Your heating fuel price is fixed until April, 30, 2023, or until your gallons are used up, whichever comes first. (2K gallons)</li><li><b>If the market goes up or down, your price remains the same.</b></li></ul>	Fixed Price Protection plans are good for people who want the security of knowing their price is fixed and will not go higher, but are willing to take the chance that prices could go lower.

### Special payment options\*

Option	Description	Does it meet your needs?
Even Pay Plan	<ul style="list-style-type: none"><li>We estimate your total fuel cost for the heating season and divide it into 11 equal monthly payments.</li></ul>	This is a great option for people who want a predictable monthly fuel payment to help manage their household budget.
Pre-Buy	<ul style="list-style-type: none"><li>You pay a lower fixed price.</li><li>With this payment option, you pre-pay the total amount of your Fixed Price plan.</li></ul>	This option is for people who want to pay for their gallons up front and not have a recurring monthly fuel bill.
